

Cutting of steel and stainless steel

APPROVALS

ADVANTAGES

- Low burr formation
- Few sparks
- High cutting speed
- High lifetime
- Cool cut
- Low odour development

APPLICATIONS

- Rust and acid resistant steels
- Hardox
- Hardened steels
- Highly alloyed steels
- Galvanised parts
- Construction steels
- Tool steels

- Extra thin freehand cutting disc in professional quality. For cutting steel and stainless steel.

TECHNICAL DATA

Cutting disc FCD-FP

Article name	Art.-No.	Version	Sales unit [pcs]
FCD-FP 4 x 3 / 64 x 5 / 8 INOX	512502	flat	
FCD-FP 115x1,0x22,23 plus	531709	flat	25
FCD-FP 115x1,5x22,23 plus	531710	flat	25
FCD-FP 125x1,0x22,23 plus	531711	flat	25
FCD-FP 125x1,5x22,23 plus	531712	flat	25
FCD-FP 150x1,5x22,23 plus	531713	flat	25
FCD-FP 180x1,5x22,23 plus	531714	flat	25
